Grand du Illinois, Voyageurs All

I am sure that by now everyone realizes that the 91st Promenade Nationale will be hosted by Grand du Illinois in Springfield, September 7-11, 2010. This is a very big honor that Grand du Illinois has been pursuing for years.

Now that it is ours it is time for all of the Illinois Voitures to step up to the plate and smack one out of the park. I have attached a copy of Voiture 516's half page ad submitted last week. V516 is one of the smallest Voitures not only in the Grand but in the entire Nationale. I am very proud of the response from them as they could have easily chosen to simply pay for a booster line for everyone and saved themselves close to eighty dollars.

Therefore; V516 is issuing a challenge to all Grand du Illinois to match their commitment to a successful Promenade Nationale that we can all point to with pride.

Robert [Bob] Cearlock
Grand Cheminot, District 8
