- **REMEMBER** in order for a Vet to be selected for a trip to D.C. they or someone must fill out the appropriate application with Honor Flight. Honor Flight Network has many Local Affiliates and they can easily be located via the website at <http://www.honorflight.org>
- The cost of the cards, letters, envelopes, stamps and printing supplies during the charter year was approximately \$200 and has been happily donated by my Wife and me. **None of the money collected for dues has been used for that purpose and never will be.**
- Because of the cost information mailings of this sort will be few and far between. However, I do email reports regularly to those O.B.'s that have provided their email addresses. If you wish to be included, please email me at cearlock@aol.com. Our information is also updated at the website <http://www.illfortyandeight.com/IOOB.htm> on a regular basis and as the webmaster has time.
- **November 1st marks the end of our "Charter" year and the beginning of the real test of our "organizations" existence. We end FY 2009-2010 with 375 members, let's see if we can hit 450 by this time next year. We will then be able to send ten donations a year!**

Remember that our World War II Veterans had to wait until they were entering their 70's and 80's before they were accorded the respect of a memorial of their own in Washington, D.C. Now they are dying at a rate in excess of a thousand a day. If you know a World War II Vet who has not been to the Memorial and does not have good health or the means to get there, PLEASE, get an application filled out and submitted as soon as possible.

With warmest regards and deep respect, we remain
