2010 Committee

Time is moving very fast and Sept will be here before we know it.

It is time for committee chairs to give weekly updates.

Some bad news hit us this week. The nationale boxcar chairman has told me that his contact with the school children's teacher has said that since this was the first day of school, that they could not send them to the children's party.

So therefore we need help badly on this project. If ANYONE can arrange a group of special needs children to attend the WED children's party, please respond ASAP.

I will see Chairman Roger in AL this Thurs-SUN and would like to report some good news to him.

Ads are slow coming in; remember 1 June is the deadline.

Items for the ditty bags are needed, please report what you have so far.

Has every one registered yet? I hope so

Committee members need to arrive on Sun

Registration will start Mon AM

If we are to be successful, we must start working much harder that I am seeing so far

I have 30 so far on the Lincolns Tomb and new Salem tour @ \$50 per head (limit of 50)

I have been to NY twice, La, TX and Al next week to promote 2010. Interest and expectation are very high. We must not let them down.

I have over 100 booster ads.

Please communicate on your positions that you have agreed to do. Bob Cearlock is doing great. Also Lois Bigham and gang are working hard . Please follow suit.

I have also sold the back page of the program for \$1000. Need to work on both inside cover pages @ \$500 each. Let me know at once if you sell one or both. Thanks.

Vancouver would like for someone to gather food for their hospitality room Wed and Thurs nights. This could be another great fundraiser for us. If interested, please respond.
